RE: Robert G. Thompson, C.P.A.

Tuesday, December 05, 2006

To Whom It May Concern:

I have worked with Robert G. Thompson, C.P.A. since 1986; over twenty years now and in this time, he has shown himself to be a man of his word and a man of honor and principle.

When I first met Rob, he was working with another firm and I stuck with him even after he left, mostly because his advice has been very good.

He has always taken a deep interest in my business and he goes over all phases of the business with me from his perspective. I feel I am not 'just another client' to him. And he's looking at the future, my future, my family's future and my business' future, consistently.

As a result of the care, time and attention to detail Rob has exhibited in working on my taxes and my business finances for over twenty years now, I have no desire for other tax or financial professionals. If I have a financial question, I ask Rob, and he is always there for me, for over twenty years now.

And whatever comes up; if I'm buying, selling, or talking to a lawyer I find myself quoting Rob often in my business day.

Rob is highly accessible, he always returns my calls and if I don't get him directly I leave a message and he gets right back to me. He has helped me immensely with financing and banking issues that I don't have the time or the inclination to research on my own, and I trust his judgment in these matters.

Beyond all of this, no matter what the circumstance Rob has always tried, always done his best and in my estimation he is really a great guy and a wonderful C.P.A.

Should you have any questions at all about this letter or my recommendations of the work of Robert G. Thompson C.P.A. contained herein I would encourage you to give me a call at any time at 1-800-333-0443.

Sincerely,
